Summary

- This comprehensive course offers foundational knowledge for understanding the structure, categories, judging intricacies, and operational procedures essential for successful Wushu Taolu competitions.

Curriculum

- **Event Types**
 - Introduction to different routines, including bare-hand routines like Changquan, Nanquan, Taijiquan, short weapon routines such as Jianshu, Daoshu, and more, as well as long weapon routines like Qiangshu, Gunshu, Nangun, and Duilian events.
- **Age Categories**
 - Understanding the age divisions in contemporary and traditional Wushu, spanning from Children's to Senior Age Groups, categorized based on age ranges.

- **Judging Panel/Officials Team Structure:**
 - Details about the roles and responsibilities of officials:
 - Chief Referee overseeing competitions and ensuring rule compliance
 - Assistant Chief Referee aiding the Chief Referee
 - Head Judge managing the judging team, deductions, and bonus points
 - Scoring Judges evaluating different aspects of a routine (Quality of Movements, Overall Performance, Degree of Difficulty)
 - Routine Inspector assessing routine adherence to rules and execution
 - Field Operations Team handling various tasks from recording to managing the competition's logistics
- **Competition Protocol and Etiquette**
 - Details about competition etiquette, including proper attire and weaponry, as well as the protocols for salutations and routines for different apparatuses.
- **Standard Competition Operation Procedures**
 - Comprehensive coverage of roll-call/marshaling procedures, ensuring the understanding of competitor check-in processes and the sequence of competition events.
- **Scoring Procedures**
 - Explaining the methodologies for scoring and ranking athletes based on different criteria, such as Quality of Movements, Overall Performance, Degree of Difficulty, and tie-breaking protocols.
