Forms:

There will be a maximum time limit of 3 minutes with a 0.1 deduction of 10secs or less and a 0.2 deduction for 11secs or more. Each competitor may only compete in one (1) empty hand form. This form should be appropriate to the individual skill level (i.e seniors should not be competing in Siu Lim Tao).

Athletes are to provide and bring their own weapons. Weapons will be inspected by the Chief Judge prior to the start of the competitors forms. Knives must be metal with no live edges. Poles must be a minimum length equal to the height of the competitor. Any deviation is a 0.1 deduction from the final score.

Each competitor must both attack and defend, showcasing good Wing Chun techniques. The goal is to have good continuous flow and contact with the partner. Points will be deducted for any significant disruption. The use of all rolling positions will score higher.

The event will be scored like forms, with competitors receiving an overall score based on their performance. Because competitors are a team, they will share the same score.
